Let's Start

About Me

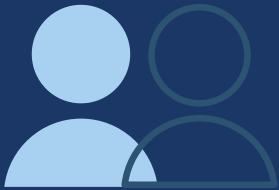

Developer & Designer

Hi, my name is Rand Kharoush and I am a web developer. Where I have developed a strong passion for web developer. In my free time, I enjoy reading and spending time with my family and friends. I am a dedicated individual who is always looking for ways to grow and improve in both my personal and professional life. I value hard work, integrity, and honesty, and strive to embody these traits in everything that I do. I am excited to see where my journey takes me and am always open to new experiences and opportunities.

[Let's Talk](#)

My Skills

Communication skills

I am able to handle difficult conversations or conflicts with assertiveness and respect. I am able to express my thoughts and feelings clearly and effectively, while also listening to the perspectives of others.
